# Frequently Asked Questions

## Is a tree stand included in my purchase?

Yes. A tree stand is included in the same box as your tree.

## How do I store my Christmas In America Christmas Tree to make sure it looks great year after year?

### FOR HOOK-ON STYLE TREES:

- All 7, 7 1/2, 9, and 10 foot trees come with an additional storage carton, allowing you to store panels in their natural shape, thus eliminating the need to re-shape each year
- Remove all lights and ornaments before storing
- Working from bottom to top, remove each branch, pressing branches against stem
- Place in carton with longest branches on bottom
- Store carton away from heat in a cool, dry place

### FOR HINGE STYLE TREES:

- Store tree away from heat in a cool, dry place
- Remove all lights and ornaments before storing
- To reuse carton for storage, close branches against stem
- Save time in future assembly by storing your tree with sections open to eliminate reshaping. Turn tree sections upside down and tie sections closed or wrap in a blanket

## What is the warranty on my tree?

Christmas In America warrants its trees against defects in material or workmanship as follows:

- For a period of 5 years from the date of original purchase, Christmas in America will, at no charge, repair or replace defective parts of product.
- Limited warranty applies to all components and parts of the product.
- This limited warranty does not cover damage resulting from accident, misuse, abuse, negligence, or normal wear.
- This limited warranty is valid only in the United States.
- This tree is for indoor use only. Any other use will invalidate the warranty.
- Keep away from heat and moisture.

## What is the return policy on my tree?

Returns must be made within two weeks of receipt of product and must be accompanied by a copy of the sales receipt. The full purchase amount, minus shipping costs, will be reimbursed within four weeks. All return shipping costs and insurance must be prepaid by sender.
